

Welcome to **Artwalk Clitheroe**, a gentle 2km circular walking route including eight fantastic galleries that our historic market town has to offer.

The Ribble Valley is home to some extraordinary artistic talent, much of which is showcased in Clitheroe's many galleries. This map shows where to find each of them, allowing you to start your journey anywhere along the route. The galleries are also dog-friendly so there's no need to leave Fido at home. And with a great selection of cafés, pubs and restaurants along the route, why not make a day of it?

The walk is mainly along pavements but there is a steeper section up to the castle and through the castle grounds following well-surfaced footpaths.

Specific Artwalks are shown on the back of this leaflet. This walk can be undertaken at any time but please check the galleries individual websites for opening times to avoid disappointment.
